

BTL Biotechno Labs Pvt. Ltd. **Authorized Channel Partner of** **CUSABIO**

A Good Partner in Biology Research

CUSABIO is a National High-Tech Enterprise with research, production, and sales all in one. After 14 years of effort, CUSABIO has become a good partner for researchers around the world. They are dedicated to providing 60,000+ validated antibodies, 8,000+ recombinant proteins, 660+ cytokines, and thousands of ELISA kits to global customers in the research fields of cancer, cell biology, immunology, neuroscience, epigenetics, etc. All kinds of their products can meet customers' different demands in various scientific research fields. Except for guaranteed quality, Cusabio also offers: * A very competitive price; They are a manufacturer with an effective cost control system. * Professional and fast technical support. **BTL Biotechno Labs Pvt. Ltd.** is the distributor of **Cusabio** in **India**. We are committed to being the most reliable supplier for life science research products in the entire Indian market and serving the scientific community by providing innovative, reliable, and high-quality research products at an affordable price.

As a distributor of **Cusabio** in **India**, we provide their complete product range, including primary antibodies, secondary antibodies, isotype control, proteins and peptides, ELISA kits, exosome isolation kits, food safety assay kits, rapid test kits, bioassay kits, small molecules, RNA interference products, reagents and tools, stable cell lines, etc., to the scientific community at the best price.

ELISA KIT

ANTIBODY

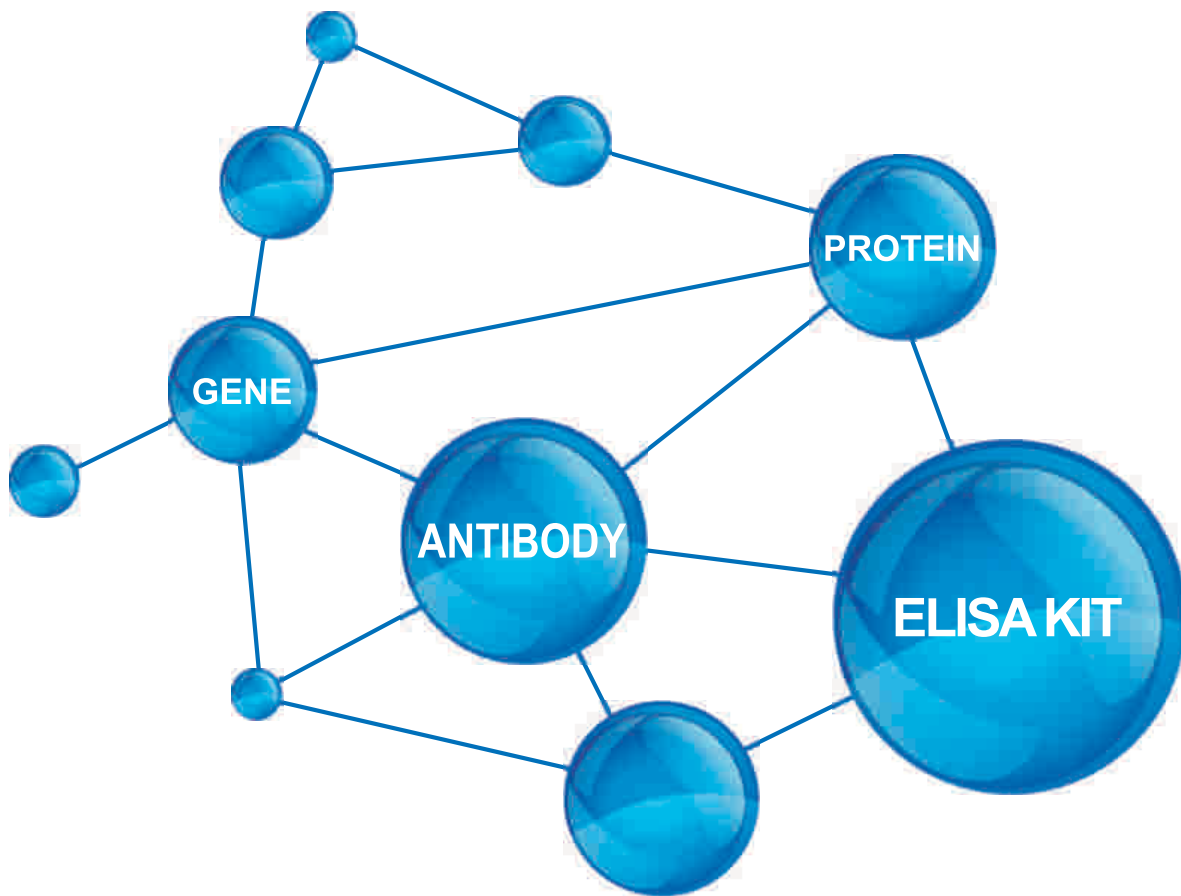

PROTEIN

GENE

GENE

More than 13,000 cDNA clone

- 100% sequence accuracy guarantee, otherwise unconditional replacements accepted.
- Full length CDS sequence for protein expression which decrease the expression cost.
- Subclone the gene to one vector for free.
- Additional service: we provide technical support suggestions and services based on the gene modification protein expression and other uses.
